

FY 2004 Federal Agenda for the City of Miami Beach

ENERGY AND WATER APPROPRIATIONS BILL

1. Beach Renourishment and Erosion Control

- < Emergency Sand Needs & Long Term Sand Source Problem
- < Support for Dade County Request of Ongoing Beach Renourishment Activities

TRANSPORTATION APPROPRIATIONS BILL

1. Atlantic Corridor Greenway Network

- < The Atlantic Corridor Greenway Network will create, within Miami Beach, an alternative transportation network comprised of a citywide system of continuous off-road bicycle/pedestrian trails, which will interconnect with key transit sites, an intermodal transit center, local circulator service as well as the regional transit system, business and commercial districts, cultural/ tourism centers, residential neighborhoods, parking facilities, parks and the beaches.

2. Intermodal Transit Center/Bus Capital

- < The City of Miami Beach is requesting a specific set-aside through the Transportation Appropriations Bill's Bus and Bus Facilities Account for an Intermodal Transit Station and Bus Capital.

VA/HUD APPROPRIATIONS BILL

EPA Request

1. Stormwater Infrastructure Improvements

- < The City is seeking assistance in the rehabilitation and restoration of their existing stormwater infrastructure.

EDI Requests

1. Atlantic Corridor Greenway Network

- < The Atlantic Corridor Greenway Network will create, within Miami Beach, an alternative transportation network comprised of a citywide system of continuous off-road bicycle/pedestrian trails, which will interconnect with key transit sites, an intermodal transit center, local circulator service as well as the regional transit system, business and commercial districts, cultural/ tourism centers, residential neighborhoods, parking facilities, parks and the beaches.

2. North Beach Cultural Facility

- < The City is seeking funds to rehabilitate this aging movie theater so that it may serve as a venue for cultural and non-profit institutions, functionally interacting with the North Shore Youth Center.

LABOR/HHS AND INTERIOR APPROPRIATIONS BILLS

1. Art Deco District Restoration

- < The City is seeking funding through the Save America's Treasures program for the renovation of Old City Hall, the 10th Street Auditorium, Colony Theater, Lummus Park, or other City historic restoration projects in the National Register District.

2. Cultural Arts Initiative

- < The City seeks funding to support programming and training opportunities for performing and visual arts organizations in Miami Beach, with emphasis on museum, educational and minority programming.

TEA-21 RE-AUTHORIZATION

1. Atlantic Corridor Greenway Network
2. West Avenue Bridge
